EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013:

Item No.4and 5:

Under Section 180 (1)(c) of the Companies Act, 2013, the Board of Directors of a company cannot, except with the consent of the shareholders in general meeting, borrow monies, apart from temporary loans obtained from the company's bankers in the ordinary course of business, in excess of the aggregate of the paid up capital and free reserves of the Company.

The increasing business operations and future growth plans of the Company would necessitate restructuring of the borrowing limits by authorizing the Board of Directors to borrow monies which may exceed at any time the aggregate of the paid-up capital of the Company and its free reserves but not exceeding Rs. 50Crores.

The borrowings of the Company are, in general, required to be secured by suitable mortgage or charge on all or any of the movable and/ or immovable properties of the Company in such form, manner and ranking as may be determined by the Board of Directors of the Company, from time to time, in consultation with the lender(s).

It is, therefore, necessary for the members to pass a Special Resolution under Section 180(1)(c) read with Section 180 (1)(a) and other applicable provisions of the Companies Act, 2013, as set out at Item No.4 & 5 of the Notice.

The Board of Directors recommends the passing of the Special Resolutions as set out in the Item no. 4 & 5 of the Notice.

The nature of concern or interest, financial or otherwise, if any, in respect of power to borrow monies and/or mortgage properties (moveable/immovable):

- (i) Directors: None of the Directors of the Company is concerned or interested in the proposed resolution except to the extent of their shareholdings;**
- (ii) Every other Key Managerial Personnel: NIL;**
- (iii) Relatives: Only to the extent of their shareholdings.**

Item No.6:

Section 186 of the Companies Act, 2013, permits the Company to extend loans or guarantee or invest the surplus funds of the Company in any other body corporates in to the tune of the 60% of its aggregate of the paid-up share capital and free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more. However, in the event the Company proposes to make loans/guarantee/investment, in excess of the limits stipulated under Section 186 of the Companies Act, 2013, it can do so only post approval of the members by way of a special resolution. Accordingly, in order to enable the Board of Directors of the Company to make optimum investment decisions and/or to enable the Company to extend loans and/or guarantee, the Board of Directors recommend enhancement of the limits stipulated under Section 186 of the Companies Act, 2013.

Accordingly, the Board recommends the resolution as set out in Item No. 6 above for approval of the members of the Company as a special resolution.

None of the Directors, Key Managerial Personnel or their respective relatives are concerned or interested in the Resolution except to the extent of their shareholding, if any, in the Company.

ITEM NO. 7

The Company is expected to render support for the business requirements of other companies in the group, from time to time. However, owing to certain restrictive provisions contained in the Section 185 of the Companies Act, 2013, the Company was unable to extend financial assistance by way of loan, guarantee or security to other entities in the Group.

In the light of amendments notified effective May 7, 2018, inter-alia replacing the provisions Section 185 of Companies Act, 2013, the Company with the approval of members by way of special resolution, would be in a position to provide financial assistance by way of loan to other entities in the group or give guarantee or provide security in respect of loans taken by such entities, for their principal business activities. The members may note that board of directors would carefully evaluate proposals and provide such loan, guarantee or security proposals through deployment of funds out of internal resources / accruals and / or any other appropriate sources, from time to time, only for principal business activities of the entities in the Group.

Hence, in order to enable the company to advance loan to Subsidiaries/ Joint Ventures /associates/ other Companies/ Firms in which Directors are interested directly or indirectly under section 185 of the Companies Act, 2013 requires approval of members by a Special Resolution.

The Board of Directors Recommend the Special Resolution for approval by the members. All the Directors except for the Independent Directors are concerned or interested in the aforesaid resolution, financially or otherwise.
